

SNOWBOARDER'S HAT

Materials:

- Size L (8.0mm) crochet hook
 - 106 yards super bulky yarn – I used 1 skein of Lion Brand Wool-Ease Thick & Quick to make an adult sized hat.
 - Tapestry Needle
 - Pom Pom maker (or make your own)
- Stitches Used
- Chain
 - HDC – Half-double crochet
 - SC – Single Crochet

Pattern

Leaving 12 inch tail of yarn, Chain 28 + 2 (counts as first HDC)

Row 1: HDC in each stitch across (29 stitches)

Row 2: Chain 2, turn. Working in BLO, HDC in each stitch across (29 stitches).

Repeat Row 2 until you have 21 Rows or until your piece reaches the desired circumference when seamed together.

Do not fasten off yarn. Fold long sides together. Single crochet the sides together.

Do not fast off yarn. Single crochet around the edge of the tube you just made. This will be the edging on the brim of your hat.

Using the long tail of yarn you left at the beginning, loosely weave the needle the entire way around the second side of the tube in two inch long stitches. Pull end of yarn so the top of your hat tightens.

Attach large pom-pom, weave in all ends, give yourself a pat on the back and/or a gold medal and place on your head to be the most stylish person on the snowboard slopes!
